FUNDRAISING: As always, a big **THANK YOU** goes out to all our T-shirt sponsors - please take the time to read the back of your 2019 NEYSS T-shirts for all the names! Premiums for this show come from: proceeds of items sold in the Promo Booth, donated equipment sold in the Used Equipment Auction, and funds received from The Big E Fiber Nook. There will be items for sale in the Promotional Booth at the show. **VOLUNTEERS ARE NEEDED.** Interested? Please contact Nancy Minter at (508)653-3212 or email JNEN@aol.com. **Anyone wishing to donate** money towards this show may contact Scott Poitras, NESWGA Treasurer, at (413)244-8968 or email ppoitras@charter.net.

Another fundraising event for this show is the sale of tote bags at THE FIBER FESTIVAL OF NEW ENGLAND held each year the first weekend in November at the Eastern States Expo fairgrounds. The best results have been when the youth sell the bags themselves to festival goers. The Youth Show Committee urges that local youth spend some time at the Festival selling bags to keep this fundraiser going. For more information and to sign up for a time slot, contact Tony Patti at AJPatti31@gmail.com or call him at 401-439-5551. This is an important fundraiser, local youth exhibitors are encouraged to participate.

Another fundraiser is the sale of festival T-shirts at THE FIBER FESTIVAL OF NEW ENGLAND. These will be available in the NEYSS/NES&WG promo booth at the festival. Again this Committee urges youth exhibitors to spend time in the booth to help sell these shirts. (See above for information to contact Tony Patti to sign up for a block of time.)

Did you show at the NEYSS in 2009 - 2018? Pictures are available on the NES&WG's website: go to www.nesheep.org - click on "Events" and go to the North East Youth Sheep Show page. Also check out our Facebook page!

CODE OF CONDUCT

The North East Youth Sheep Show has become, over the last 35 years, a very successful and large event. In order to ensure the quality of this event, the education of the youth and their families and promote sheep and agriculture to the general public, the show's sponsors are endorsing the National Show Ring Code of Ethics. It is each family's responsibility to read this Code and follow these guidelines. The Rule Enforcement Committee will review any complaints or actions deemed to violate these ethics. **ANY EXHIBITOR, PARENT, OR LEGAL GUARDIAN, MAY BRING A CONCERN OR PROBLEM TO ANY YOUTH SHOW COMMITTEE MEMBER. THAT COMMITTEE MEMBER MAY ADDRESS THIS, OR IF NEED BE, BRING IT TO THE RULE ENFORCEMENT COMMITTEE. THE RULE ENFORCEMENT COMMITTEE HAS FINAL SAY ON ANY SITUATION.** It is very important to the show management that youths conduct themselves with respect for themselves, their animals and people around them. Any action that violates these ethics will be grounds for disqualification from the show and possible immediate dismissal from the show grounds:

(a) Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives or show officials, before, during or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect, and no person shall direct abusive or threatening conduct toward them.

(b) No owner, exhibitor, fitter, trainer, or absolute responsible person shall conspire with another person or persons to intentionally violate this Code of Conduct or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this Code of Conduct. Violation of this Rule shall subject such individual to disciplinary action.

(c) THERE WILL BE NO alcohol or drug use by youth show exhibitors for the duration of the event at the show facilities. If a youth show exhibitor is caught consuming either of these substances or found inebriated or in an intoxicated state, he or she will not be allowed to participate and will forfeit any premiums earned.

MASSACHUSETTS ANIMAL HEALTH REGULATIONS

In addition to complying with all laws and regulations governing animal health issues all fairs must adopt and enforce the following rules for governance of the fair:

2019 Fairs - Animal Health Rules

NO animal will be admitted to the fairgrounds unless it meets the requirements below. NO animal is to be unloaded or enter a barn or tie-out stall until the animal and its paperwork have been inspected and approved for entry.

General Rules for All Animals

1. All animals must be in proper physical condition, be properly identified and free of visual evidence of infectious, contagious or parasitic disease at time of arrival. Specific diseases and conditions which will disqualify an animal for entry are identified for each species in the following sections of the rules. Animals of any species with open or draining wounds will not be approved for entry.

2. Evidence of infectious, contagious or parasitic disease or failure to produce the necessary documents for health certification, vaccination or testing will result in the animal's rejection for entry. THE INSPECTOR'S DECISION IS FINAL.

3. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only, and except for surgical procedures performed by a duly-licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

4. Official ID: See Final Rule: Summary of Traceability for Livestock Moved Interstate (Summary of general Requirements by Species)

All livestock must have proper official, individual ID as required for the species, e.g. official metal ear tag, tattoo, scrapie tag, or microchip. Breed registration forms must accompany health certificates when used as part of official identification.

5. Health Certificates: -One Official Certificate of Veterinary Inspection (OCVI) may be allowed for animals of the same species to be exhibited at fairs or shows in any of the New England states (CT, *ME, MA, **NH, RI, and ***VT) when submitted with an itinerary of the dates and locations of the events at which the listed animals are expected to be shown. Only animals that are healthy at the time of shipment

may be moved. Note that *ME, **NH, and ***VT have additional requirements. Certificates of veterinary inspection in these states are valid for a shorter period of time and may have additional language, movement and permit requirements.

For the 2019 Show and Fair Season, livestock animals being exhibited in New England states must have official certificates of veterinary inspection (OCVIs) that meet the following requirements:

a. CT, MA, and RI: OCVIs issued on or after January 1, 2019 may be used for those animals being shown at multiple fairs and shows in CT, MA, and RI through the 2019 show/fair season ending October 31, 2019.

i. ME: An importation permit for exhibition animals is also required. Contact ME State Veterinarian's Office (207-287-3701) for permits/questions

ii. MA Special Note: The Big E Fairgrounds in West Springfield requires a CVI issued within the prior 30 days for all horses entering the premises for any show, fair, or exhibition.

iii. NH: To qualify for the extended CVI, animals exhibited in NH must originate in a New England state and move on OCVIs issued on or after April 1, 2019 to participating NH fairs and shows from July 1 to October 31. The extended CVI is not available for animals that do not reside in New England. Contact NH State Veterinarian's Office (603) 271-2404 for details and permits.

iv. VT: Contact the VT Animal Health Office (802-828-2421) for specific import requirements that deviate from the general information in this letter and must be met for legal import of livestock.

b. A single OCVI from the animals' home state may be completed for travel to and from the New England states in which the animals will be exhibited. MA animals being shown ONLY in MA may substitute a signed, dated letter on the letterhead of an accredited veterinarian for an OCVI if all required information is included and all additional requirements are met.

c. Multiple animals of the same species may be listed on one health certificate with appropriate individual IDs and descriptions. Animals of different species may not be listed on the same official health certificate.

d. An itinerary of the names and locations for each New England fair or show at which owner expects to show the listed animals and the dates when each animal are expected to be on each site, must be prepared by the owner and presented to the veterinarian at the time the OCVI is written.

i. A copy of this planned itinerary must be attached to the official health certificate (import and export) for it to be used for more than one fair or show.

ii. That proposed list should be signed by the veterinarian and the owner/ exhibitor and reference the relevant OCVI number(s).

e. The name and address of the first show or fair where the listed animals will be exhibited is to be used as the "destination" on the OCVI form. In addition, "See attached list" or a similar statement directing Animal Health Officials or Fair Inspectors to the attached proposed itinerary must be included.

f. Exhibitors must keep an accurate list of the show locations and dates when their animals were actually on the show/fairgrounds. This record must be available to fair inspectors at each inspection and check-in.

g. Any animal listed on an OCVI that becomes sick must remain home. If the animal is refused entry to any exhibition during 2019 for health reasons it must have a new health certificate issued by an accredited veterinarian within 30 days of the next interstate movement.

h. Any New England state may end their participation in this agreement and revert to the standard published requirements for livestock imports in the state at any time, in the event of foreign animal disease outbreak or changes to state legislation.

Sheep: See 9 CFR 79 and Massachusetts Emergency Order 1-AHO-06.

1. No sheep will be allowed entry from flocks in which Scrapie has been diagnosed or in which animals are under surveillance for Scrapie during the previous eighteen months. Based on the Federal Scrapie Eradication Program (FSEP) and the Massachusetts Emergency Order 1-AHO-06, sheep of any age or sex brought to show or exhibition from either out of state or within the state must possess a USDA approved individual identification tag, tattoo, or electronic implant consistent with requirements of the FSEP. Information on approved tags, tattoos, and electronic implants is available from the USDA APHIS office in Sutton, MA at 508-363-2290.

2. No sheep will be permitted entry from flocks in which Soremouth has existed or in which Soremouth Vaccine has been administered in the previous sixty (60) days.

An adult does need to assume the "coach" role to help facilitate this event. Coaches must be present at this event and may be 4-H leaders, parents, or other interested adults. The coach will be the contact to help keep things running smoothly and to be sure that their team participates appropriately. Teams may pre-register, however, walk-in teams and singles will be taken.
